Hello everyone,

Welcome back! I wonder if it is just me that thinks that time flies by fastest during school holidays. 😊 I hope that everyone thoroughly enjoyed the break and made the most of happy family time.

Now it is all systems go as we look forward to a fantastic Term 2. There were lots of happy, excited faces walking up the path this morning, which was lovely to see. We have a great term in store with plenty already on the calendar. We certainly hit the deck running today.

Here are a few notes (in no particular order) to keep you up to date with the latest goings on around school.

- **Parades** have now returned to 9 am Monday mornings.

- **P&C meeting**: Tuesday 21st April (tomorrow). If you have never been to a P&C meeting tomorrow would be a great time to start! 😊 Sparing a small amount of your time will help all the Booyal children.

- Like several schools in the district, a team of painters, plumbers and carpenters worked around the grounds, on and off, during the holidays. The new carpet in Mrs D’s room looks great and the toilet block refurbishment is well underway. The floors and new loos/vanities have been installed and internal painting started. Painting will continue this week, inside and out. Next time you are at school perhaps nip in and have a look at the snazzy new toilet seats.

- **A short ANZAC service** will be held at school; 2.40 p.m. Friday.
• Astronomy Night: the new date is Wednesday 6th May. Please return the confirmation slip at the bottom of this newsletter as soon possible.

• Homework: reading is the only homework this week for Mrs D’s students.

• Headlice: please check your child/ren’s hair for lice and eggs. We noticed evidence of head lice in the school today. Thank you for treating where necessary and advising a staff member accordingly. Hats will be sent home for washing if evidence of lice is noticed.

Welcome Back,
I hope that parents and students enjoyed the break. Back into it.....

Homework
The Year 1 students only have Spelling Learning this week. Please note that their Spelling for the Term 2 has been stapled into their yellow folder if they would like to do some learning prior.

Prep students have their Sightword Learning. Prep parents please remember that the target for Prep students is 100 words by the end of the year. Do you think that your child have 50 words by the end of this term? Are you practicing sightwords every day at home? We see to sightwords three days a week at school.

Poppy Seeds
Poppy Seeds for sale. $3 a packet. Proceeds go to Legacy and Cordalba SS Student Council. Please see me if you would like some.

Volunteers
We would love some volunteers in the Junior Class as we currently don’t have any. If you can spare any time even if just for half an hour once a week (before school or during class time) it would be a great help.

Here’s to a great term,
Mrs Dyer

I give permission for my child/other sibling members (as listed previously) to attend Astronomy Night on Wednesday 6th May.

We are unable to attend on this date and request a refund (if applicable).
