G’day everyone,

This week it is a ‘Waffle on-the-run’; being hastily done this morning before we leave for sports day. Full photos of gotcha winners, award recipients and students of the week will be included in the next edition.

You should have received your child/rens reports on Tuesday, as well as an appointment for a parent teacher meeting which will take place next week. Please be prompt for these 15 minute meetings so that you do not miss out on time discussion your child’s progress.

- Most students from Years 3 – 6 competed in the Gin Gin District Athletics Carnival today. I am sure that they did their ‘Booyal Best’ and nothing less. Please note that this is not the Small Schools’ Athletics Carnival.

- Stephen Bennet, MP, kindly donated $100 towards our whale watching excursion.

- Ringworm is present at the moment. Please keep a close eye out for it. Education Queenslands rules state that a child with ringworm must remain away from school for a day after treatment has started.
The Woolies ‘Earn & Learn’ program has started again. A box will be placed in the Childers’ store this weekend. Please save your stamps and encourage others to do the same. This is a wonderful program that enables schools, such as ours, to get a terrific range of resources for free.

REMINDER: the arrival time for students is strictly between 8.30 a.m. and 9.00 a.m.; no earlier, unless by special arrangement. This allows staff to prepare for the day, have meetings etc. No supervision is provided for children prior to 8.30 a.m. Please respect this request.

As always, it is expected that parents are outside school at 3 p.m. for the release of students. If you are occasionally running later than 10 minutes please have the courtesy to phone the school’s landline and advise a staff member or leave a message on the answering machine. Thank you for your continued consideration and co-operation.

**Dear All,**

**Personal Details Form**

Thank you for the home involvement in filling out the Personal Details Forms. If your child returned theirs on Tuesday and Wednesday, they will have a laminated learning slip that would have come home already. When the others come in (just two outstanding), I will also type them up.

**Health Form**

Mrs Ilett also sent home a form on the first Thursday. It was to do with the Junior Health Unit. There are many of these outstanding also. It would be great if they could come in ASAP.

**Home Visits for Bubbles**

Bubbles is enjoying hanging around our classroom but he can’t wait to get to spend some time with the children at home. We played a “guess the number” game to work out the order in which Bubbles will visit houses. It is as follows:

Danita, Mason, Peter-Craig, Aliyah, Jessica, Charlie, Tiah, Leeroy, Hayley, Hamish and then Danica.
Bubbles will be spending two nights at each student’s home. Danica, as she is the lucky last to host, will have Bubbles for 3 nights! Bubbles and the home visits will commence next week. Thanks in advance for parent’s assistance with Bubbles and his adventures.

**Spelling**

Year 1 students have ‘stepped up’ with regard to what is expected of them before school with Spelling. On a Tuesday and Wednesday morning they are to write their Spelling out once and also complete two sentences. If they don’t complete it before school they can spend time during play at MT and Lunch finishing it. So far I am very impressed with the efforts of the students with this task. Well Done Year 1 students.

**Parent-Teacher Interviews**

I am really looking forward to sitting down and having a chat with the Junior Class parents. This face to face time is invaluable to discuss your child and their progress at school. I am looking forward to seeing you all next week. Please remember if you can’t make your time, ring and let me know or send in a note. Rescheduling is no problem and I am only too happy to do this if given notice. Effective communication is a two way street, I believe!

Regards,

Mrs Dyer
